

US Financial Aid at Kingston University

(List updated 16 May 2012)

The following courses are not eligible for Federal Financial Aid (Stafford and PLUS loans). Students planning on studying one of these courses will therefore need to fund their study by other means.

This list includes ALL courses taught entirely at partner institutions, such as Kingston College. Federal regulations have been amended so that your course must be taught at least 75% by the degree-awarding institution.
