

Session Student Finance...Part 2	Year Group 12-13
Overview and Purpose To plan a strict budget following on from the Student Finance: Managing Money- Part 1 prioritising session, and to consider ways of managing money to prevent scenario's such as the one in this session coming about.	

Time	Activity	Other
15 minutes	Icebreaker- Volunteers to prioritise items of expenditure on 7 cards. The remainder of the class will then have the opportunity to change the order where they see fit. Discussions throughout.	Materials Needed <ul style="list-style-type: none"> • Expenditure Cards • Paper • Pens • Where does the Money Go worksheet and timetable
30 minutes	Where does the Money go?- Sam's Scenario Learners given a scenario of a student that only has £35 to last him for the final week of term before Christmas. Learners will need to complete Sam's schedule in order to organise Sam's time to maximise what he can do with that money.	
10 minutes	Group Discussion- In groups, learners to discuss where Sam went wrong over the term, and how Sam could have prevented this scenario from occurring.	Other Resources N/A
15 minutes	Plenary- Highlights the importance of planning and prioritising spending in a real life situation that many students face. It also gives an insight into student life and the issues surrounding it.	Additional Notes This session can be adapted to fit into one period of 50 minutes up to an hour.
