

Study Abroad Programme

A FOR THE APPLICANT

- Please complete your name and module selections and return this form with your application.
- List your preferred modules on the left hand half of the page and enter alternates to specific modules on the right. You will be registered for the first 4 or 5 modules available, with a full load being between 12 and 16 credits.
- You should select some extra modules in case any modules are full, not suitable for your intended study period, unavailable or subject to a timetable clash.
- **To help you in selecting potential modules, read the information about selecting modules at:**
www.kingston.ac.uk/studyabroadselectclasses
- Module listings are at:
www.kingston.ac.uk/studyabroadclasses
- After completion, present this form to the Study Abroad Director or the individual designated by your university/college who is responsible for granting permission for you to enrol in this programme.
